Preparation time: 25 min

Difficulty: Easy

Ingredients

- Bell pepper: 1
- Black pepper: to taste
- Eggplant: 1
- Extra-virgin olive oil: to taste
- Onions: 2
- Salt: to taste
- Zucchini: 2

For this recipe we used:

Chopped Tomatoes 3.5 oz.

Preparation

Wash the vegetables and cut them into strips. In a pan with extra-virgin olive oil gradually cook the vegetables one by one, starting with the bell peppers, then moving on to the eggplants and, lastly, the zucchini. Set the vegetables aside in a tray. Once all the vegetables are cooked (making sure that they are crispy), in the same pan add and sauté the sliced onions and then add **Pomi Chopped Tomatoes**, cooking everything for 15 minutes. Add all of the previously sliced vegetables in the pan, add salt and pepper to taste, then finish cooking on moderate heat for a few minutes.
